## Meet the Founder

Lauren grew up in Suwanee, Georgia, and from an early age learned the impact that locally-owned businesses can have on a community.

Prior to founding Creek Dog, she spent her career in oil and gas across finance, operations, and sales at BP and Honeywell—fueling her passion for gritty, service-based businesses that keep America running.

## THE BUSINESS I'M SEARCHING FOR

Creek Dog Capital has committed capital to fund all-cash transactions of up to \$40 million and is committed to structuring a deal that aligns with your goals.

### Target Business Profile

- \$6–\$60M in annual revenue, or EBITDA above \$1.2M
- An owner who cares deeply about succession, continuity, and their people
- Recurring or repeatable revenue streams that stand the test of time
- Loyal customer base and minimal dependence on a single client
- Proven resilience through market cycles and changing conditions
- A company with room to grow without losing what makes it special

### Investors

*Supported by institutional investors, family offices, and CEOs with \$500M+ in proven investments*
