## Meet the Founder

Lauren grew up in Georgia and saw firsthand through her family the impact of locally owned businesses.

She built her career in oil and gas, developing a passion for the essential, blue-collar businesses that keep America running.

## INDUSTRIES OF INTEREST

- Keeping Buildings Running: Plumbing, HVAC, Facility Maintenance
- Keeping Buildings Clean: Janitorial, Commercial Cleaning, Pest Control
- Maintaining Outdoor Spaces: Landscaping, Irrigation
- Operating & Servicing Pools: Pool Maintenance, Lifeguard Staffing
- Keeping Systems Moving: Sewer, Water, Waste Management

## THE BUSINESS I'M SEARCHING FOR

Committed capital for deals up to \$40M, with flexibility to align with what matters most to you.

### Target Business Profile

- \$6 – \$60M in annual revenue, or EBITDA of \$1.2 – \$6M
- An owner who cares deeply about their people and what comes next
- Recurring or repeatable revenue streams
- Loyal customer base
- Room to grow without losing what makes it great

### Investors

Supported by institutional investors, family offices, and CEOs with \$500M+ in proven investments
